### PREPARATION METHOD

Heat the grill. Cut the tails off the prawns and langoustines and remove the intestinal tracts. Cut the lemon into segments. Bring a pan of salted water to the boil and cook the spaghetti until it is al dente. Season with the pepper, salt, olive oil and the red chilli puree. In the meantime, melt the butter, then add the garlic and the juice and grated peel of the lemon. Put the prawns and langoustines on a baking tray, drizzle generous amounts of the butter over them and grill them until they are cooked. Mix the WOKchilli with the pomodori marinati and serve it as a salsa. Serve the prawns and langoustines on the pasta and drizzle the salsa over it and garnish with the chopped flat-leaved parsley and a segment of lemon.
