

GINGERBREAD MEN

USED BRESC PRODUCTS

Ginger puree 450g

Ras el hanout spice mix
450g

INGREDIENTS

10 

- 500 g self-raising flour
- 190 g butter
- 190 g soft dark-brown sugar
- 40 g Bresc Ras el hanout
- 40 g Bresc Ginger puree
- 75 g golden syrup

PREPARATION METHOD

Preheat the oven and place a sheet of baking paper on a baking tray. Melt the butter, caster sugar and syrup on a low heat. The mixture does not need to boil. Add the liquid mixture immediately to the self-raising flour in the mixing bowl. Add the ras el hanout and ginger, and knead it in a mixer for 3 minutes until it is a smooth dough. Wrap it in plastic foil and allow to rest for at least one hour. Dust a work surface with flour. Roll out the dough to a thickness of approx. 4 to 5 mm. Cut out as many shapes as possible. Place the shapes on the baking tray. Bake them in the oven at 170 °C for about 10 minutes. Allow the gingerbread men to cool on the baking tray so that they are crisp. Serve once the gingerbread men have cooled.
