#### For the ribs

- 4 pork ribs
- 50 g Bresc Lemongrass puree
- 0.75 dl soy sauce
- 0.2 dl fish sauce
- 50 g Bresc Beamster garlic puree
- 50 g shallot, chopped

- 50 g honey
- 50 g sugar

#### For the salad

- ½ bunch mint
- 100 g bean sprouts

### PREPARATION METHOD

Make a smooth marinade with the ingredients. Marinate the spare ribs overnight. Preheat the oven to 120 degrees and place the spare ribs on a rack over a tray (to catch the juices). Roast them for about 2 hours. Brush them with the marinade at regular intervals. Grate the carrot, onion and cucumber, add the bean sprouts and marinate them in the grated lime peel, the lime juice, sugar and salt. Chop up the iceberg lettuce and mix the herbs into it. Serve the ribs with the barbecue sauce and the salad.
